

Ecologic™ Lithomex Casein Glue

 AVAILABLE AT THE DONGHIA MATERIALS LIBRARY

The Lithomex Casein Glue is mainly used in stone masonry and repair / restoration work, glueing smaller pieces of brick and masonry. It comes in two parts; powder from Casein (a protein commonly found in milk) / Lithomex (a natural lime based stone repair material) and Ecologic™ Waterglass. The natural casein adhesive is mixed with Lithomex, water, and the Ecologic™ Waterglass primer at the listed ratios. The Ecologic™ Waterglass is already HML vetted under our interior paint collection. This product contains no VOCs.
